Sexual contact means any of the following (whether or not a condom or barrier device was used):

- Vaginal intercourse (**contact between penis and vagina**)
- Oral sex (**mouth or tongue on someone's vagina, penis, or anus**)
- Anal intercourse (**contact between penis and anus**).

Do NOT donate if you...

Ever	<ul style="list-style-type: none"> • Had HIV Infection (see signs/symptoms of acute HIV infection below) • Had a positive test for HIV • Had a positive test for hepatitis • Used needles to take drugs, steroids or anything not prescribed by your doctor • Had a transplant such as an organ or bone marrow • Had a transplant or medical procedure using live cells, tissues or organs from an animal (xenotransplant) • Received money, drugs or other payment for sex • (Male donors) Had sexual contact with another male
In the last 12 months	<ul style="list-style-type: none"> • Have given money, drugs or other payment for sex • Have been treated for <ul style="list-style-type: none"> • syphilis • gonorrhea • “Lived with” a person who has hepatitis (lived at same residence and shared kitchen and bathroom) • Had a blood transfusion or received other blood products • Received during surgery bone, tissue or skin from another person • Had an accidental needle-stick involving exposure to blood • Had contact with someone else's blood • Had a tattoo applied or touched up • Had ear or body piercing • Have been in <ul style="list-style-type: none"> • juvenile detention • lock up • jail • prison <div style="display: inline-block; vertical-align: middle; margin-left: 10px;"> <div style="border-left: 1px solid black; border-right: 1px solid black; border-bottom: 1px solid black; width: 20px; height: 20px; margin-bottom: 5px;"></div> <p style="margin: 0;">For more than 72 consecutive hours</p> </div> <p>Had sexual contact with anyone who:</p> <ul style="list-style-type: none"> • Has HIV Infection (see signs/symptoms of acute HIV infection below) • Has a positive test for HIV • Has hepatitis • Used needles to take drugs, steroids or anything not prescribed by their doctor • (Female donors) Had sexual contact with a male who has had sexual contact with another male ever
