Dear Mr. Speir:

Thank you for bringing to our attention the discrepancy in pricing by our West Virginia State Medicaid Program of the alpha-1 proteinase inhibitors. We agree that the error was ours and has since been corrected and our price lists updated. You may tell your providers that they may reverse and resubmit any claims paid in error for up to one year from date of service.

If you should need additional assistance, please feel free to call me at (304) 558-1700.

Sincerely,

Peggy A. King, R.Ph.
